- C. The entities involved in the licensure process
- D. How to establish an NCARB Record
- E. How to progress successfully through the Architectural Experience Program® (AXP®)
- F. What to expect with the Architect Registration Examination® (ARE®)
- G. Recent changes to NCARB programs
- H. Value of the NCARB Certificate
- I. Question and answer session

## 1:00 End of Event

Join Melissa Gobrecht, AIA, NCARB, LEED AP, CAE from the National Council of Architectural Registration Boards (NCARB) who will present on a range of licensure topics relevant to students, aspiring architects, supervisors, architects, and people in the architecture profession. The presentation will review the steps necessary to achieve licensure to become an architect and other programs to get the most out of your career in architecture.

Melissa Gobrecht is an architect licensed in Pennsylvania who currently works for NCARB as a Policy + International Relations Manager. She oversees the continued development of the AXP Portfolio program and supports the Architect Licensing Advisors Community advocating for a well-rounded candidate work experience.

1. NCARB  
National Council of Architectural Registration Boards

n. The National Council of Architectural Registration Boards (NCARB) is a nonprofit corporation comprising the legally constituted architectural registration boards of the 50 states, the District of Columbia, Guam, Puerto Rico, and the U.S. Virgin Islands as its members.

The National Council of Architectural Registration Boards protects the public health, safety, and welfare by leading the regulation of the practice of architecture through the development and application of standards for licensure and credentialing of architects.

Room 214

Join us to learn how to set up your **NCARB record**, learn about the **AXP, ARE, and NCARB Certificate**, and **talk story** about all your **licensure** questions.
